collection

DESCRIPTION

The Toledo chair is a sample of versatility, lightness, comfort and formal beauty with purely contemporary criteria. Its author rethinks the traditional coffee terrace chair until obtaining a product with tight and slender lines that hide a calculated structure of bone reminiscences and make it ergonomically perfect.

TOLEDO CHAIR WITH ARMS

Armchair for indoor and outdoor use. Seat and back made of anodized and polished aluminum, mounted with stainless steel screws. Stackable. It's 100% recyclable according to International standards of low emission products. Net weight 6,8 kg. (14.99 lb).
